Mr. Bradley Decker

000406645

Amended 30-Day Post-General Report (10-14-04 - 11-22-04), received 4-14-05

In response to your letter of May 6, 2005, the additional receipts totaling \$17,047.85 that were not disclosed on the original report were hundreds of small donations made during the Presidential election campaign. There were too many to disclose and meet the deadline for reporting, so I elected to file on time and amend later.

The entries for "Purchase campaign signs and stickers" and "Repay advance for campaign signs" on Schedule B, Line 21(b) have been further explained to mean yard signs.

The refunds previously reported on Line 21(b) have been moved to Line 28(a).

An amended report has been filed.

Thank you for your help, Brad.
